Ladies as Past Drivers. A New York correspondent writes; Long Branch, Newport and Saratoga have drawn off most of our belies and fashionables, but a good many are still in town, and you may see them any pleasant afternoon driving through the park.
It is no longer improper for ladies to handle the ribbons. It was considered improper a few years ago, but we have outgrown that idea, and some of the set equipages now to be seen in the park are guided by the wives and daugh- spectfully submitted for the benefit of the reins with as much skill as any old turfman, and dash over the drives with as much nonchalance as though they were born to the whip. After 4 o'clock p.m., any afternoon, except Sunday, they throug the park as thick as "leaves in Vallambross," and seem to be as delighted with their distinction (for everyholdy looks at them) as though fast driving was the highest honor that woman could aspire to. Women, whose husbands are eminent in every business and profession. take their daily drive formance of his duty—partly for the forest as Stockholder and Director will remain as herefolder. All profession take their daily drive formance of his duty—partly for the forest as Stockholder and Director will remain as herefolder. I lit is an improper manner of performing this duty to nod, and for the plain reason that the worshiper attracts to much attention. We are everywhere to distinct the worship and the worship and the profession that they might be seen of men. On the same principle, the worshiper is condiminated that they might be seen of men. On the same principle, the worship is condiminated to refer the drives with as much nonchalance as though they it is an improper manner of performing this duty to nod, and for the Directors.—Sam Tate, W. B. Cusnisciana, W. C. McCrons, President, Gashier. Directors, All Wicks, W. B. Cusnisciana, W. C. McCrons, President, W. B. Cusnisciana, and remittacte promptly made.

Under the worship of the worship of the park as thick as "leaves to avoid ostentatious display in our worship. The Pharisees were condemned for praying at corners of streets, that they might be seen of men. On the same principle, the worship is connection with the semphis and contractors and prompted for praying at corners of streets, and the public with the contractors and profession. The president of the principle and remitted on the profession that the worship of the worship of the contractors.
